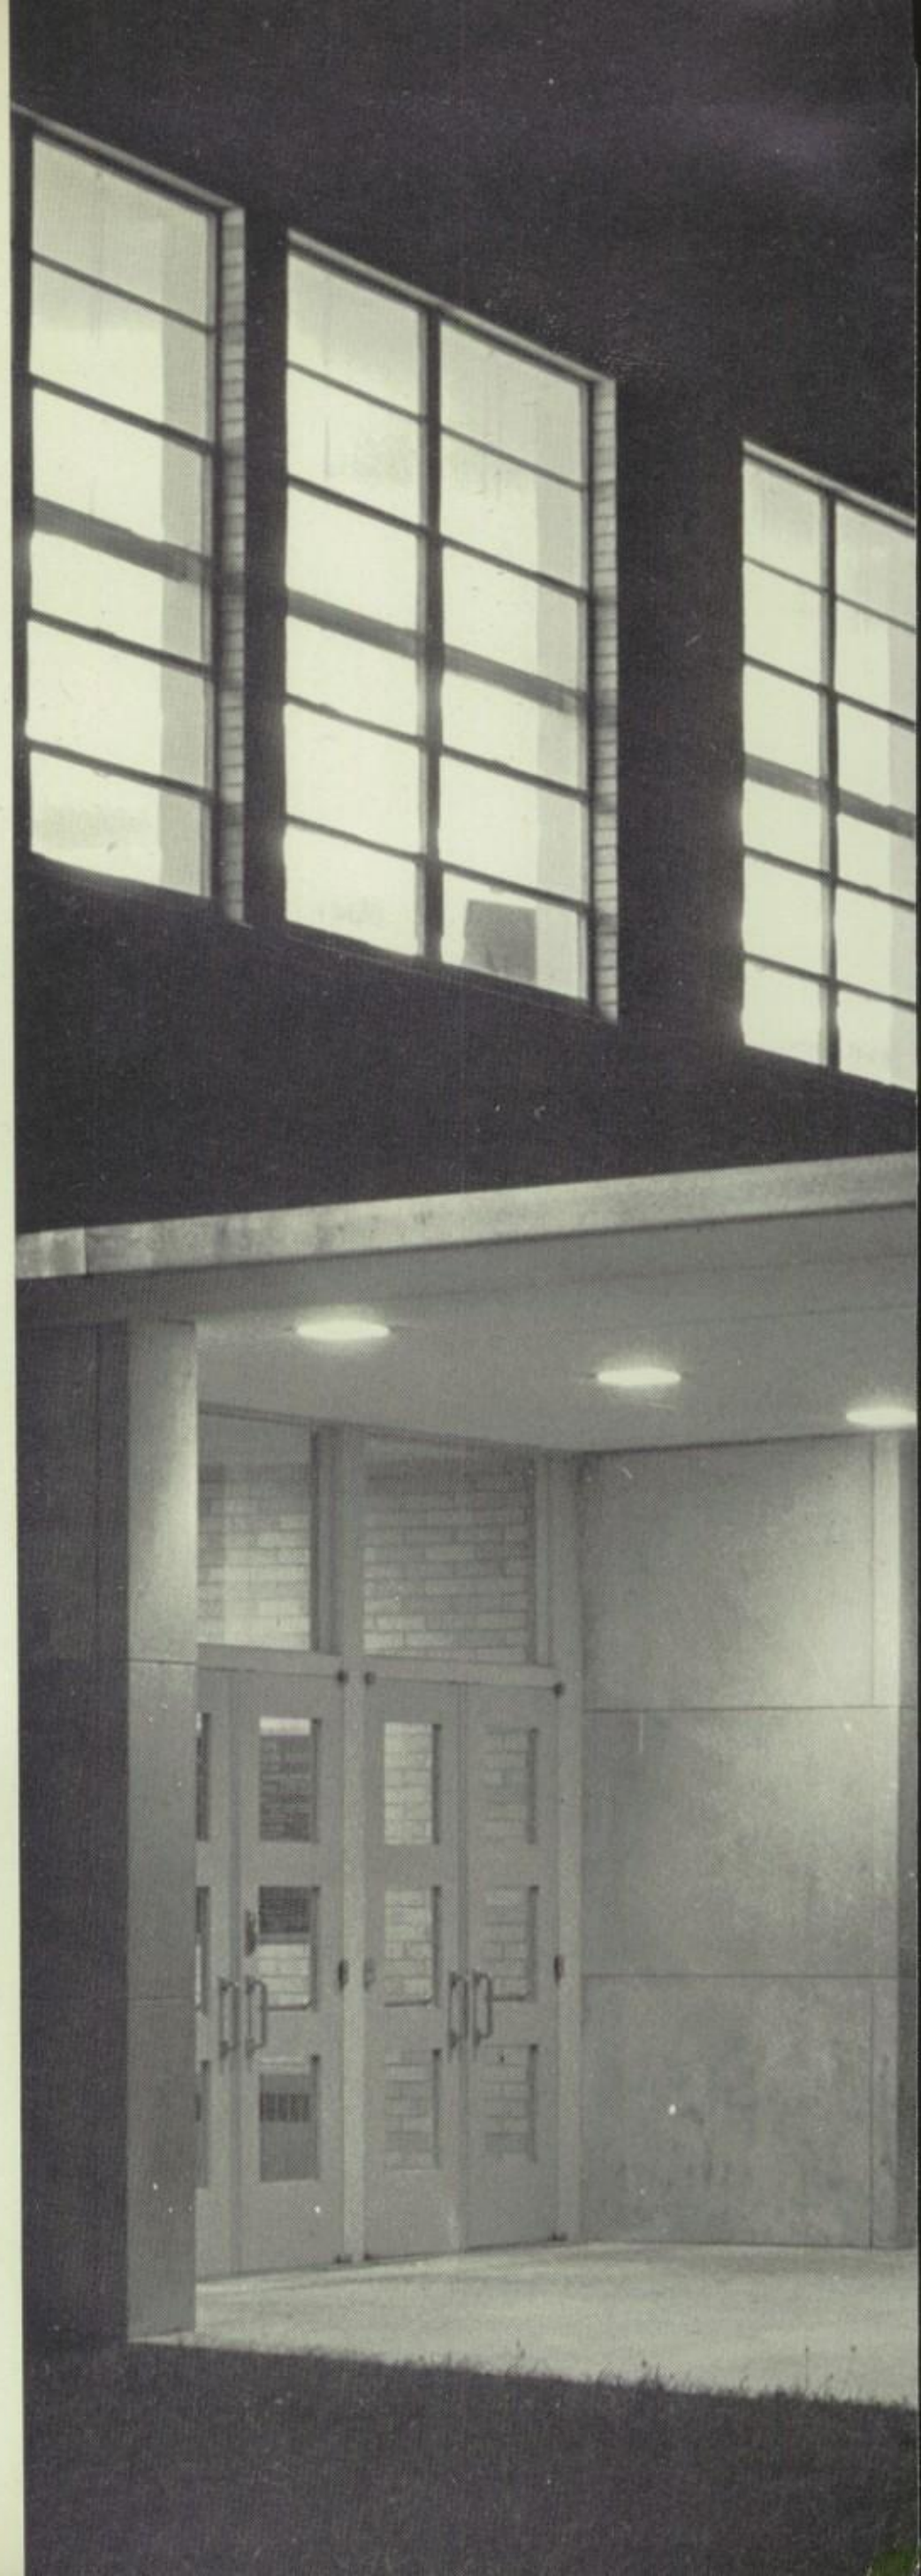
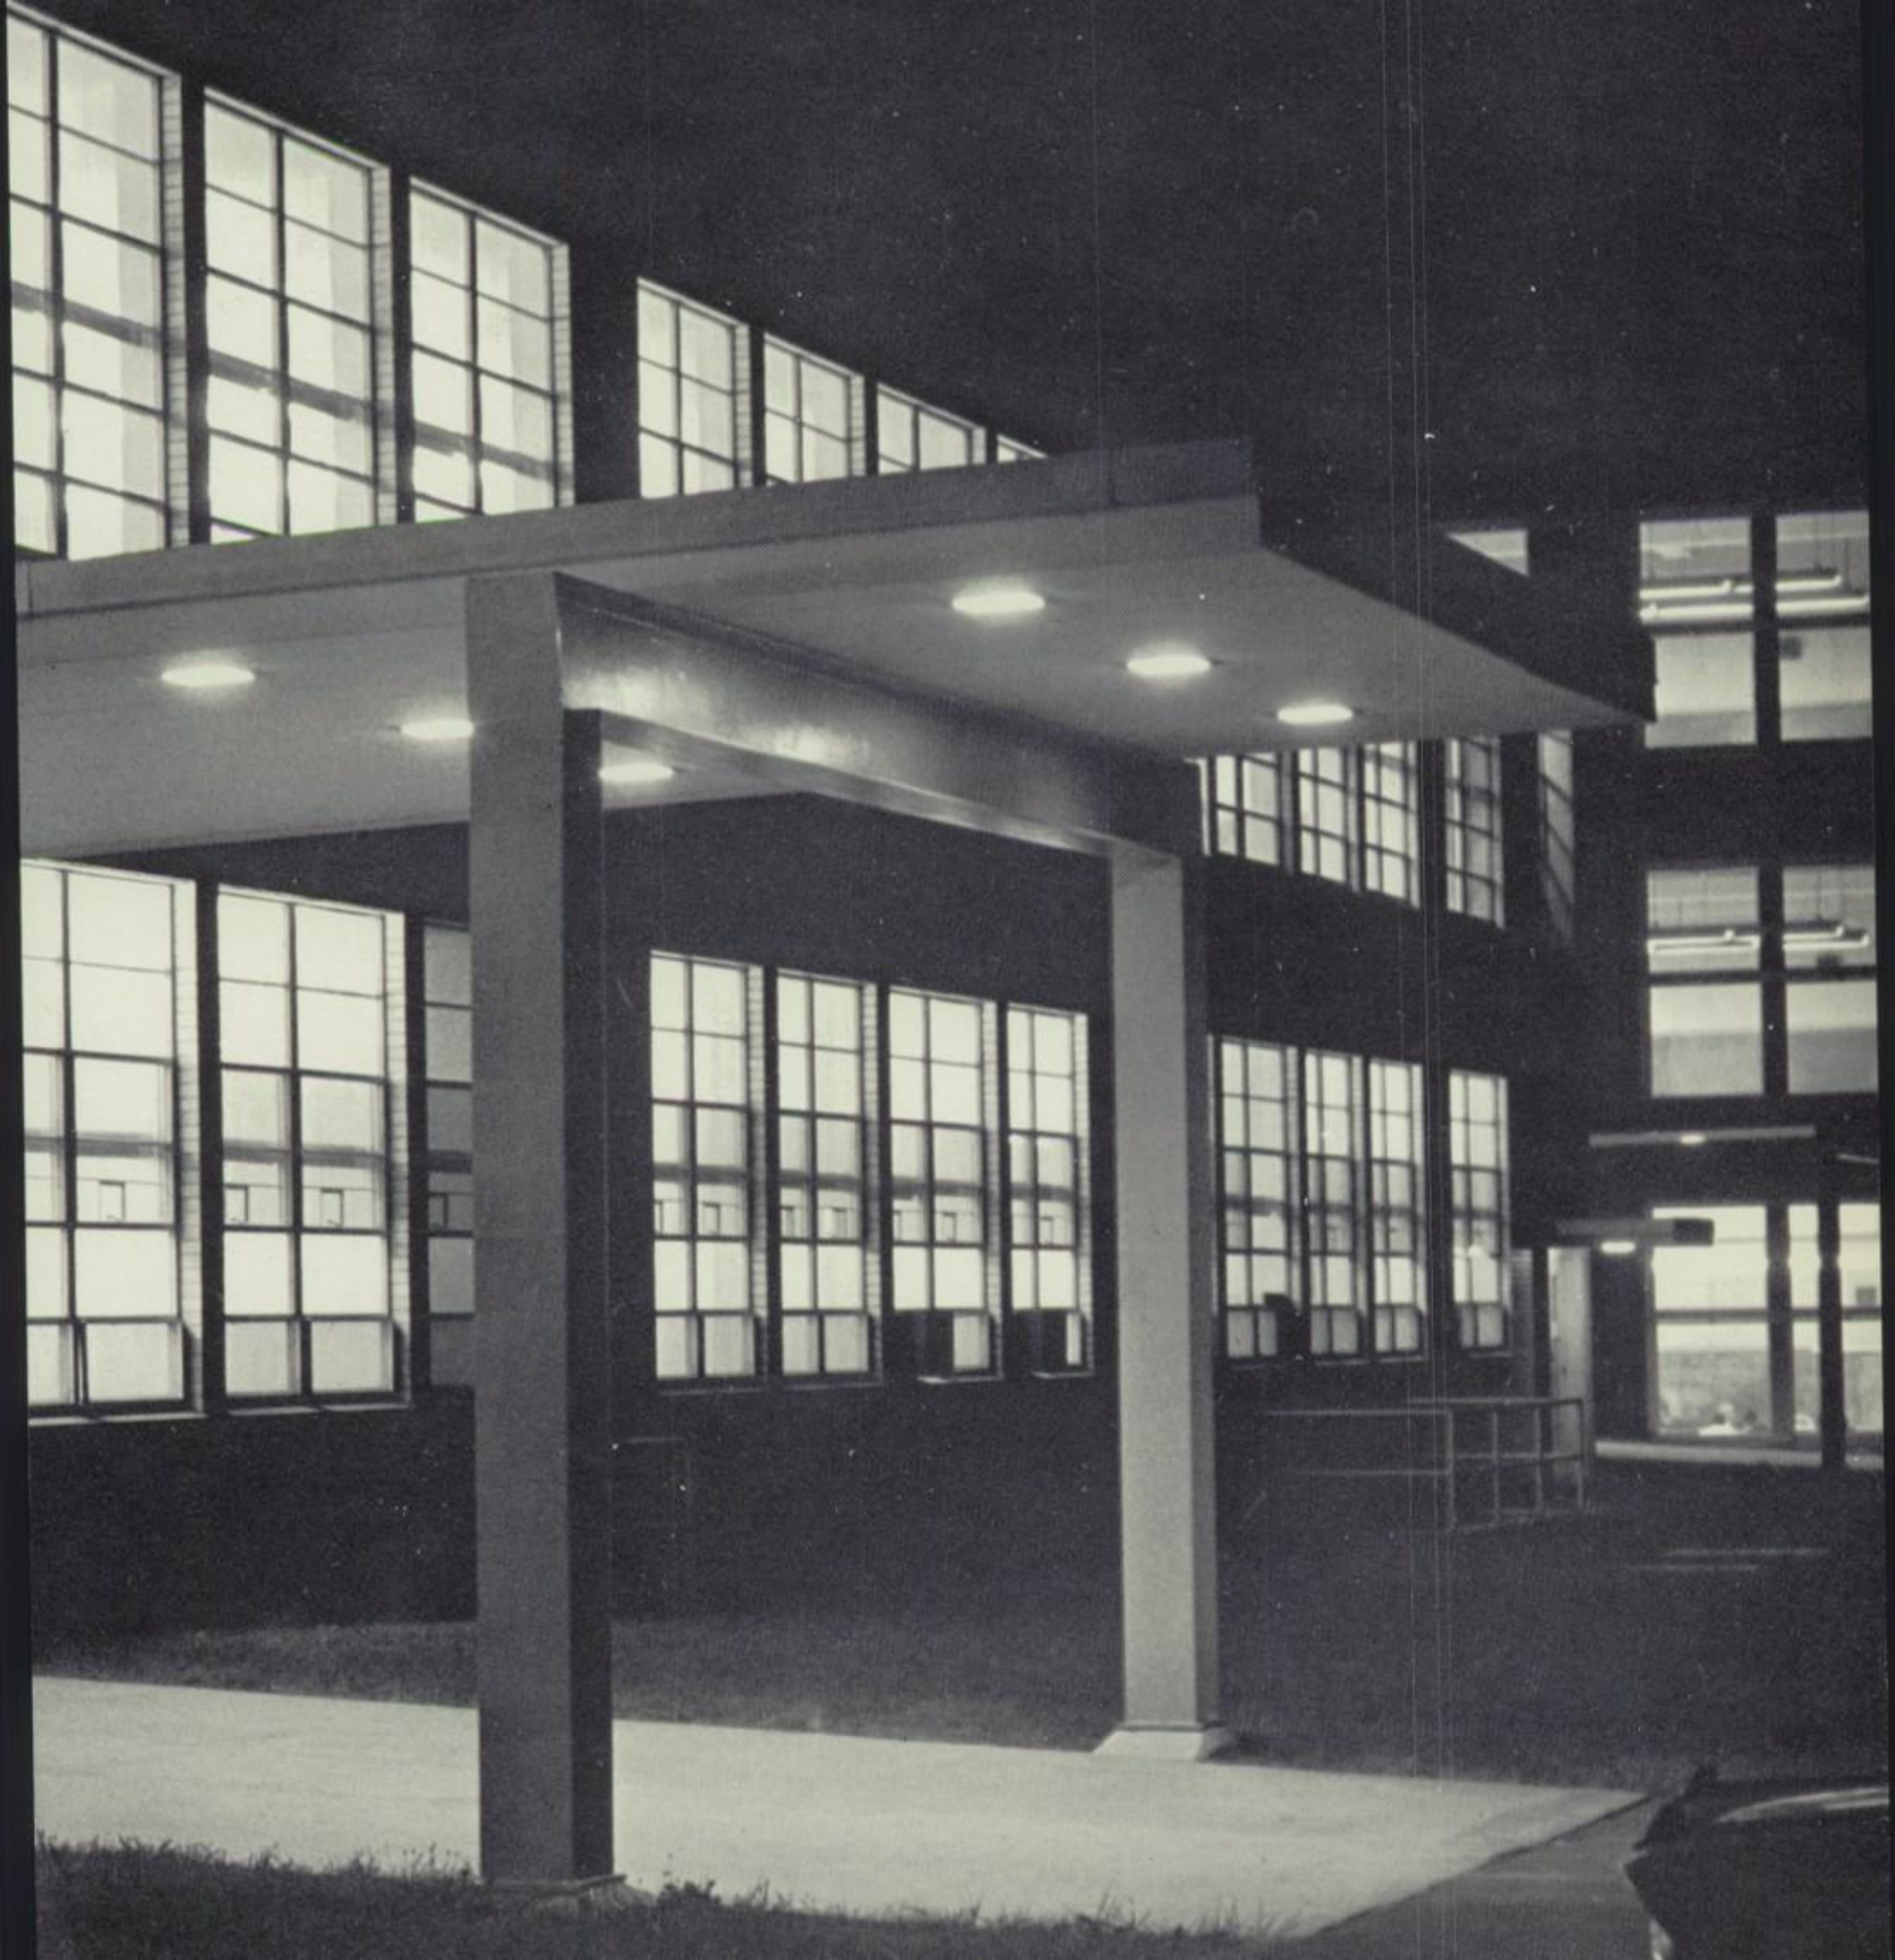
TOWANDA VALLEY JOINT HIGH SCHOOL

Towanda, Pennsylvania





Alma Mater

Hail! Hail! Towanda! crowned by the hills
To thee we raise the song no rival stills.
Truth, valor, loyalty may to thee belong;
Hail T. H. S.! Towanda be our song!

From thee our knowledge - may we worthy prove-
By word and deed exalt the school we love,
May all thy children ever loyal be and strong,
Hail T. H. S.! Towanda be our song!

Thy name so dear to us, they honor pure-
We'll keep unsullied while the stars endure,
While loud thy praises ring, loyally and long,
Hail T. H. S.! Towanda be our song!

Mr. Edward G. Branish completed his elementary and high school education in Phillipsburg, Pennsylvania. In 1953 he graduated from Indiana State Teacher's College with a B.S. Degree in Business Education. Upon graduation he entered the armed forces where he attained the rank of First Lieutenant in the Philadelphia Quartermaster's Depot.

Mr. Branish came to Towanda High School in September 1955 to teach in the business education department.

In June 1959 he received his Master's Degree from The Pennsylvania State University in Education and Business Administration. He is now working on his Doctorate at the same institution. At the present, he is certified to teach all business education subjects except shorthand.

Mr. Branish is particularly fond of sports, especially golf. He won a letter in four different sports in college. Since 1955, he has initiated wrestling as a varsity sport at T.V.H.S. and became its first coach. He also coached football here for three years.

Mr. Branish has given his service to us in countless, valuable ways.

We, the Tohimeki staff of 1962, are proud to dedicate our yearbook to a man who has proved to be not only a respected faculty member, but a trusted friend as well.

This is but a humble tribute to a devoted teacher who has worked untiringly to aid the student body and to improve our school.

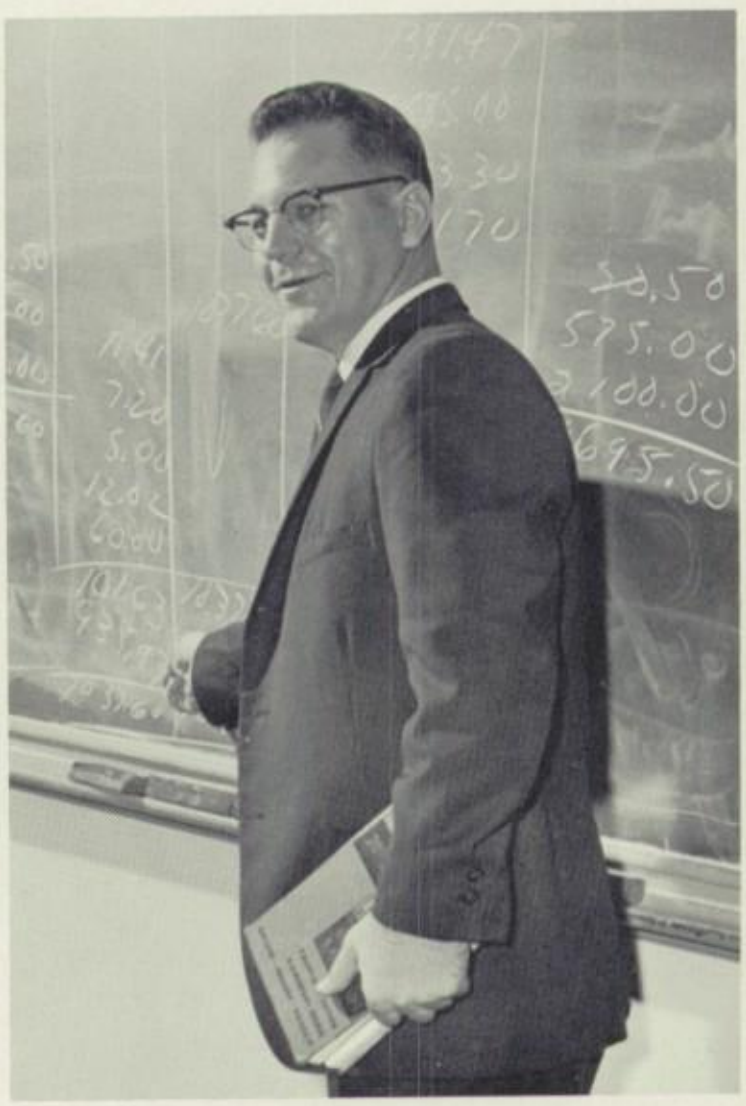
With deepest sincerity, we thank you . . . Mr. Branish.

Next time YOU dry!

I'll explain just ONCE more.

Partners in crime.

The old Christmas Spirit!



But you can add, can't you?

Toru Hosoda, the second exchange student to visit Towanda, is from Saihaku, Japan. Toru's favorite pastimes are bowling and ping pong. We will regret seeing Toru leave as he has been well liked during his stay here.

For the first time, a member of our student body has been chosen as an exchange student. We are certainly proud of Ellen Blakely who spent the past summer in Hannover, Germany as a member of the American Field Service program. Though Ellen was our first, we hope there will be others in the future.

CLASSES

Senior Class Officers

M. Dickerson, A. Schmoll, H. Griggs, Michael Carrigan, E. Blakely, Mrs. S. Sheffy, Mr. L. Smith, Mr. F. DeWitt, Mr. J. Koser, Mrs. C. Norton.

As we, the class of 1962, leave the halls of Towanda High School for the last time, we wish to express our sincere appreciation to the many people who have endeavored to aid us during our school days.

We wish to express our gratitude for the wonderful co-operation, leadership, and guidance given us by the faculty, supervisors, and directors. They have made our days here happy ones.

Also we wish to express our deepest appreciation to our parents who have made unlimited sacrifices in our behalf. To them we give our most humble thanks.

Now, as we leave our alma mater, we will face our problems confidently with the knowledge and understanding we have acquired here and with our faith in God.

Respectfully,

Harry L. Griggs

Class History

As Freshmen in 1958 we elected Jedy Snyder to lead the class of 1962. Our vice-president was Tom Moyer and Sally Place, Judy Place, and Peggy Dickerson took positions as secretary, treasurer, and historian respectively. "The Freshman Soiree" was the name chosen for our first class function. The class sponsors for our Freshman year were Mrs. Janet Allen, Mr. Paul Hartman, Mr. Herman Kordalski, Miss Natalie Wilhour, and Mr. James White.

Michael Carrigan led the class through the sophomore year. Chosen to aid him were Dawn Moore, vice-president; Kathy Hamilton, secretary; Suzy Clark, treasurer; and Peggy Dickerson, historian. On April 2, 1960, we held "Swing Into Spring," our sophomore dance. Mr. Kay Campbell, Mr. James Demski, Mrs. Linda Kindred, Mrs. Sandra McKey, and Mrs. Celia Talada were our advisors.

As Juniors our goal of graduation was indeed drawing nearer. Michael Carrigan again served as class president with Harry Griggs, vice-president; Suzy Clark, secretary; Lucie Jayne, treasurer; and Peggy Dickerson, historian. The Junior Prom, our first formal affair, was given the theme of "Blue Hawaii." Mr. Frank Bialek, Miss Magdalene Billow, Mr. Kay Campbell, and Mr. Daniel Thomas were our junior sponsors.

Suddenly we were seniors and we elected Harry Griggs to lead us through this, our golden year. Assisting him were vice-president, Michael Carrigan; secretary, Ellen Blakely; treasurer, Tonie Schmoll; and historian, Peggy Dickerson. Our class chose red and white for our colors and the Mamie Eisenhower carnation as our flower. For the theme of our last formal dance, the Senior Ball, we used the theme of "Poinsettias in the Snow". Our class advisors for our senior year were Mr. Frank DeWitt, Mr. John Koser, Mrs. Carolyn Norton, Mrs. Sarah Sheffey, and Mr. Leonard Smith.

After a whirlwind year, graduation was upon us and our high school days were fast coming to a close. We, the class of 1962, are now leaving Towanda High School, but we want to extend our deepest thanks to the innumerable people who have encouraged us in our quest for knowledge throughout our school days. Our future lies ahead and we are rushing to it with the eagerness of youths and the confidence of adults.

Toru Hosoda

There are no words in either the English or Japanese language to express fully my thanks to the students and faculty of Towanda Valley High School for the friendships you have shown me, your foreign exchange student from Japan. I have had the most wonderful experience in my life here in Towanda. Nothing can take the place of the experience. The people who have shared these good times will be unforgettable.

The memory of what I have seen, heard, thought, and learned will remain ever in my mind, even the most insignificant things. Towanda has become my home, as the people have become my true friends. I feel as though part of my heart will be left behind when I think of going back to Japan. We are always friends wherever we live, and we have the same desire for peace. My hope is that we continue to live hand in hand, understanding each other.

Now, I would like to ask you as a last favor, to keep in your own kind and friendly hearts Toru, the Japanese boy, and his country.

Toru Hosoda

Publicity Committee

The Publicity Committee was organized in the fall of 1959 to keep the community aware of the curriculum and events at Towanda High School. This was accomplished through a column called "What's Going on at TVJHS" in the local newspaper, The Daily Review.

Until the fall of 1961, the group worked under the able direction of Mrs. Sheffey. At that time the project was shifted to the supervision of Mrs. Fronczkiewicz.

Each Monday the members meet to receive assignments for articles to be written that week. By Thursday these articles are turned into Toni Schmoll for editing. The polished write-up is then typed and sent to the newspaper for publication in the Monday morning edition.

The ORACLE, Towanda's first school paper, was first published in 1910 in magazine form. For two or three years the paper was continued; then because of the high cost of publication during World War I it ceased to be published. In 1918 the school published the ORACLE again. After several intervals during which it was not published, in 1926, its name was changed to the Oriole and since then the paper has continued successfully under that name to keep students informed of the latest school activities, to encourage free expression of school ideas, and to bolster school spirit.

So we, the members of this staff, leave the Oriole in the hands of you, next years students, to maintain the standard of our backers, for criticisms of the Oriole will always be constructive if a dearth of material is as remote in the editor's thoughts as the swimming of the Arctic Ocean by man.
